

► **“Tag-Mates personalized labels”** (Mabel’s Labels, \$18 for 75 labels). Are your kids constantly leaving clothes, toys and more behind?

The key is to have an easily recognizable way for them to identify their items.

Tag-Mates are small labels that adhere to clothing care tags by simply sticking them on. They can withstand the washer and dryer, load after load because they are durable and look as good no matter how many wash cycles. The labels have your child’s name and favorite icon, making them practical as well as fun.

As you get ready for summer camp and vacation — or begin thinking of the next school year — remember your Tag-Mates. To order or for more information, visit www.mabel.ca or call 866-30-MABEL.
